

Carl Olsen

"Tell me and i forget. Teach me and i remember. Involve me and i learn"

Age: 60

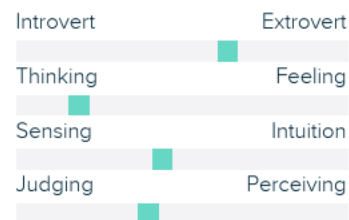

Work: Researcher, and University lecturer

Family: Lives on his own

Location: Melbourne, Vic

Character: Explorer

Personality

Dedicated

Proud

Innovative

Goals

- Use the E-Folio as a way to assess students learning
- Help guide students to produce better work
- Be able to share my research with my colleagues on this forum.

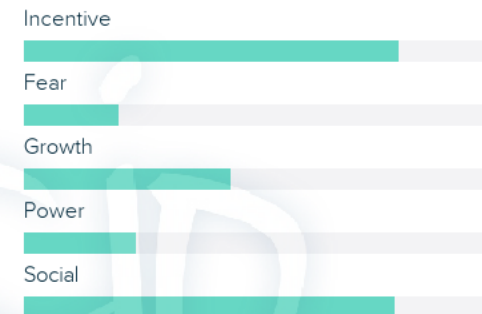

Frustrations

- Lack of ability to track students progress
- Wants to be able to see students reflections on their work.
- Improve student engagement in their work

Bio

I am a botany lecturer at the University of Melbourne. Specialise in the native flora of south eastern Australia and how it is adapted to bush-fires. I supervises several Graduate students working on researcher projects. i also teach an undergraduate level class.
